

"The Chapel" the first SDA Church building in  
L.H. stood where the east wing of Lindsay Hall  
now stands. It was first used in mid 1910.

The last service was held in it Dec 25, 1939  
The main entrance (shown on left) was into  
the balcony so that patients from the sanitarium  
could be wheeled in for the services.

The building was purchased by W. F. Harsh &  
Dr SPS Edwards. ~~etc.~~ He dismantled the building &  
from it built 2 houses - one on Ohio St & one on  
Evans St. Both are in use in Aug 1999
